

PANTHEON

DECORATIVE CONCRETE PRODUCTS

WILD WORKSHOP AGENDA

DAY 1

- 8.30 – 8.45** General Introduction – Warm up!
- 8.45 – 9.30** Slide show of different projects with explanation of processes and techniques
- 9.30 – 10.30** Discussion on tools – Surface preparation – importance and methods – application of toppings on different surfaces – understanding Colorfast color charts – Polymer loadings
- 10.30 – 12.00** Installing Sgraffino (Regular) – Demonstration and Hands-on application
- 12.00 – 12.30** **Lunch Break**
- 12.30 – 2.00** Installing Pentimento – Demonstration and Hands-on
- 2.00 – 2.45** Discussion on Estimation, Pricing, Bidding process and shipping
Walk-through the pricing process for a retail store
- 2.45 – 4.00** Installing Sgraffino (Fine) – Demonstration and Hands-on
- 4.00 – 4.30** Q & A

DAY 2

- 8.30 – 9.00** Review – Q & A
- 9.00 – 9.30** Presentation on Negotiating process
- 9.30 – 10.00** Acid stains – Types, application methods over natural concrete and polymer modified toppings, tools for acid staining, diluting processes
- 10.00 – 11.00** Hands-on application of *Patinaetch* – the chemical acid stains
- 11.00 – 11.30** Understanding *Someru Dyes* – water based dyes; various techniques; creating dye washes over chemical acid stains; shifting the color in a different direction using *Someru Dyes*
- 11.30 – 12.00** Demonstration of application *Someru Dyes*
- 12.00 – 12.30** **Lunch Break**
- 12.30 – 1.00** Introduction to *Decographic Dyes* – creating patterns on the floor; application methods on natural concrete and polymer modified toppings
- 1.00 – 1.30** Demonstration of application of *Decographic dyes*
- 1.30 – 2.00** Application of Sgraffino – Superfine
- 2.00 – 3.30** Discussion, Demonstration and Hands-on application of Sealers and Floor finish
- 3.30 – 4.00** Introduction and demonstration of Modello designs
- 4.00 – 4.30** Review and Q/A
